SATSair Appoints Christopher Lapsley to Flight Operations Supervisor

Greenville, S.C. (May 25, 2006) – SATSair, a provider of “Air Taxi” services, announced today the appointment of Christopher Lapsley to the position of Flight Operations Supervisor.

Prior to joining SATSair, Mr. Lapsley served as Dispatch Operations Manager for Independence Air. His experience also includes positions with Atlantic Coast Airlines, PSA Airlines, Asheville Air Charter, Inc. and Asheville Jet Center, Inc. He holds a bachelor of science from Embry Riddle Aeronautical University in Daytona Beach, FL and an FAA Dispatcher Certification from Airline Flight Dispatcher Training Center, Inc. in Hurst, TX. Mr. Lapsley is also an Airline Transport Pilot.

“We are excited to have Chris join our team,” stated Phil Quist, Vice President of Business Solutions for SATSair. “SATSair is growing rapidly and needs experienced people like Chris to keep help us up with the expansion.”

SATSair is the first company to offer the innovative “Air Taxi” service based on extensive research and strategic relationships with agencies such as NASA and the FAA. Using new Cirrus SR22 aircraft, SATSair’s mission is to provide safe, convenient, economical air travel and top-notch customer service. SATSair’s service area includes much of the eastern United States, and the company plans continued expansion. For more information on SATSair, visit www.satsair.com.
